And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

PUBLIC HEARING

Inland Natural Gas Co. Ltd. has filed applications with the British Columbia Energy Commission for increased rates for all consumers of natural gas within its service area. The Commission has authorized interim rates effective July 1, 1980, which allow Inland to collect an additional annual amount of approximately \$3,100,000. The interim increase is subject to refund at 11% per annum following a public hearing.

The Commission had earlier set down the applications for a public hearing commencing on September 8, 1980, in Kelowna, B.C. However, probable increases in the availability of natural gas for industrial purposes have just become known, necessitating changes in the Company's submission. The Commission has therefore postponed the hearing until Monday, November 3, 1980, and the hearing will commence at 9 a.m. on that date, at the Canadian Inn, 339 St. Paul Street, Kamloops, B.C.

The Commission further considers it appropriate to consider Inland's extension policy at such hearing.

The applications and supporting material are available for inspection at the head office of Inland Natural Gas Co. Ltd., 23rd floor, 1066 West Hastings Street, Vancouver, B.C. V6E 3G3, or at its local offices throughout its service area. Copies are also available for inspection at the office of the British Columbia Energy Commission, 21st Floor, 1177 West Hastings Street, Vancouver, B.C. V6E 2L7.

Any person intending to give evidence or cross-examine witnesses at the hearing, and who has not already so notified the Commission, should give written notice by September 30, 1980, to the Secretary of the Commission and to the applicant.

Any person intending to file a written submission, and who has not already done so, must file 10 copies of the submission with the Commission and pro-

vide 3 copies to the applicant not later than October 17, 1980.

Persons intending to participate in the hearing who are uncertain as to the manner in which to proceed should contact the Secretary of the Commission by telephone (689-1831), or in writing.
